

# Community Planning Meeting #2

**Wednesday, November 6, 2019 6:00 PM**

## Resource Bank Community Room

*The 20 people at meeting #1 selected the following first round projects:*

- **New village entry signs with directions to downtown & attractions**
- **Converting a vacant building to mixed-use space**
- **Improving the appearance of downtown**
- **New and improved events**
- **Installing public art**

*At this meeting we will form project teams and plan how to make these projects happen. Please come share your knowledge, ideas and support for our community. The meeting will be informal with small groups working on projects they are most interested in. NIU staff will provide technical assistance. DeKalb County Community Foundation is providing financial support.*

*All area residents, business owners and other interested individuals are encouraged to come help make these projects a reality. Teens are welcome on project teams. There will be space for younger children to play.*
