To whom it may concern,

I would first like to introduce myself. I am Cynthia (former crafter by nature) and I will be working within the Craft Show portion of our Somonauk Summer Fest of 2010. I hope to have the pleasure of working with you this year. I am here to help with any questions and concerns as best as I can.

As I am new to the committee, it is my pleasure to contact you for our Craft Show participant enrollment application process. As some of you would be returning to another year with us, we would like to thank you for your participation last year. As some may be new participants this year we would like to extend an invitation to join our Somonauk Summer Fest Craft Show this year within the rules of our application process.

Please understand that our show is growing and each year we anticipate a few more spectators and participants to enjoy our Fest with us.

Somonauk Summer Fest is scheduled for July 30- August 1, 2010 with the craft show scheduled for the 31st and the 1st. Please make note of these days on your calendar and return the application and payment for space required as specified on the application form.

As this show is on a first come first served basis, we also try to accommodate as many as we can. However, we can only accommodate for the space allotted to our booth availability. One Vendor rule that applies is one vendor per company. The only exception to this rule is if you get together with your team and share option two. We will not have a problem with this as long as the agreement is that the team is working together. For example: option#2 and 3 demonstrators from one company working together as a team. Please use one application and put all applicable names on the back of the application with main applicant on the front. Any and all complaints must be directed through main applicant.

Sincerely,

Cynthia Husband
